

# DEXTER INTERNATIONALS REMOVALS & TRUCK HIRE

*WE MOVE YOU WITH DEXTERITY*

## READY TO BE MOVED?

- Book your move with us in good time and confirm the actual moving date.
- Have you arranged in –transit insurance cover?
- Phone an electrician or qualified technician to disconnect and prepare all electrical items, satellite dishes and appliances for Removal – our Removal staff are not permitted to do such work.

**Stove**

**Washing Machine**

**Fridge**

- Clean and defrost your refrigerator and freezer thoroughly before moving. Also drain your washing machine, tumble drier and dish washer – stabilizing brackets to be fitted to your washing machine if applicable.

## HAVE YOU DISCONNECTED?

- Electricity and water
- Telephone
- Magazine Subscriptions
- Newspaper delivery
- Milk Delivery
- Do not submit inflammables or dangerous materials e.g. full gas cylinders, turps, ammunition, paint, meths etc, for packing, moving or storing.
- Seal all tins, jars or bottles, other than unopened tin food, food cannot be accepted for storage.

- Please retain all keys during removing – we are not responsible for lost keys.
- All valuables ie: jewellery, money, passports, cheque books etc. – should be personally dealt with prior to the day of the removal. **“WE DO NOT REMOVE FIREARMS”**

## ON REMOVAL DAY

- Indicate to the Supervisor in charge what has to be packed and removed. All items to remain should be clearly marked and or kept in a separate place.
- Arrange for your children to be with neighbors, family or friends and pets to be safely restrained.
- Keep hand-luggage and travel documents for your journey separate – you may need them for your trip.
- VALUABLES – DO NOT leave jewelry, money, firearms etc. lying around as neither the removal company nor his insurer will be responsible for loss or theft thereof.
- FINALLY – just before the removal truck leaves, check the premises thoroughly, as it is your responsibility to see that nothing is left behind.
